BECOME PART OF A
POWERFUL GROUP OF SEEKERS!

Do You Want to Develop your Intuition? Have you ever known who was calling before you picked up the phone? Have you ever had a 'hunch' about something that turned out to be right? Have you ever wanted to be more in touch with your own intuition? Then this group is for you! We are all psychic, and in this group, you will learn and practice tools and techniques to enhance your innate intuitive abilities! Topics will include: self-hypnosis, working with spirit guides, inspirational and automatic writing, exploring chakras, seeing auras, and more! By learning how to access your own inner wisdom, you can create greater experiences of peace, love, joy, grace, creativity, success, freedom, confidence, connection, and purpose in your life.

Tools used will be: Ceremony, mindful states of consciousness, group process, ritual and experiential learning.
